Headline:
Cold with a widespread frost overnight.

This Evening and Tonight:
Showers continue into the evening and overnight, mostly confined to coastal areas by the small hours, and possibly wintry over hills. Between these downpours, lengthy clear spells develop. A widespread frost overnight, harshest in the north. Minimum temperature -4 deg C (25 deg F).

Thursday:
Another cool day, but feeling slightly more pleasant than yesterday with lighter winds. Plenty of sunny spells throughout with scattered showers, gradually easing and becoming largely dry into the evening. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Sunny spells and scattered showers on Friday. Strong winds lasting all weekend. Cloudy with rain, occasionally heavy on Saturday. Scattered heavy showers with sunny spells between on Sunday.
